This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of accounting policies; making judgement and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give true and fair view and are free for material misstatement, whether due to fraud and error.

Auditor's Responsibilities for the Audit of Financial Results

7. Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from a fraud or error and consider material, if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.
8. As part of an audit in accordance with the SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to our basis of opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud involves collusions, forgery, intentional omissions, misrepresentations, or override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedure that are appropriate in circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and operating effectiveness of such controls.

- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on our audit evidences obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidences obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of financial results including the disclosures and whether the standalone financial results represent the underlying transactions and events in the manner that achieves fair presentation.
9. We communicate with those charged with governance of the company regarding, among other matters, the planned scope of timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit. Our opinion is not modified in respect of this matter.
11. The financial results include the results for the half year ended March 31, 2020 being the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the first half of the financial year, which were limited review by us.
